

## **The Victim's Concerns Committee**

This committee is under reconstruction in the past 2 years. We have lost Ron Elias - McHenry County, Chuck Milakek - Cook County and Gary Balgemann - DuPage County.

New co-chair Raechell Young and Rose Kennedy.

On Tuesday at our meeting, we discussed our committee's direction and how and where we can assist IPCSA's 2 officers to not only deal with victims of crime, but all those affected by crime. As we discussed this at our meeting, I attempted to find an example of this concept. At our lunch meeting on Tuesday, Nancy Gohl in her heartfelt experience, gave an example that better clarifies the example when she discussed not only her story and how it affected her and her children, but also the ambulance driver who continued to call her.

**Next meeting 1/1/7/08 in Bloomington.**
